

VWEM-006A

Tucker Reclaimed Long Media Console | \$800.00 Your Cost

OVERVIEW

Industrial goes rustic. Bronzed and oil-rubbed, iron casing, legs and hardware offer a fresh, sleek complement to mixed reclaimed woods, for a modern take on farmhouse-minded materials. Spacious cabinetry and dual drawers for plenty of media storage, plus posterior cutouts for cord management.

COLLECTION OVERVIEW

From the Barton Collection

Mid-century inspiration meets high style modernity. Endlessly simple lines offer drama with dynamically contrasting white lacquer and beautifully grained walnut. Pieces appear to float over slim, black iron legs with recessed bases and chamfered-edged plinths. Asymmetrical drawer and door configurations add flair and style to storage.
