

FOUR HANDS

Amber Lewis x Four Hands

Dalia Bed

Broadway Dune • 243149-010

Overview

This heritage-style bed reimagines the classic sleigh silhouette. Cream-colored, linen-like fabric slipcover is both removable and washable for practicality. Turned feet in brown parawood peek from under the slip, grounding the bed's stately charm. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval. Visit the FAQ page in our Help Center for more details.
