Alibi Dining Chair Dark Green Set Of Two

A new take on contemporary dining. The Alibi dining chair's sleek modern aesthetic features striking vertical accent stitching, adding subtle detail to its simple and elegant design. An easy-to-clean, soft vegan leather seat is perfectly shaped for comfort, so guests and hosts alike can relax after the digestif is served.

- Contemporary Silhouette: Clean lines, tailored proportions, and subtle accent stitching create a modern dining chair that feels intentional and easy to style.
- Vegan Leather Upholstery: Polyurethane vegan leather offers a smooth hand-feel, wipes clean easily, and is designed to maintain its color and surface appearance longer than leather.
- Foam And Plywood Seat: Foam padding over a plywood seat provides everyday comfort and structure, supporting regular use without feeling stiff or overbuilt.
- Tapered Black Steel Legs: Black steel legs add stability while keeping the overall profile visually light, reinforcing the chair's balanced, contemporary look.
